WHY I'M RUNNING FOR REGIONAL PRESIDENT

As someone who considers themselves a leader, I believe that we teens can change the world. That is why I am running, not only for myself but for this region. I want to hear everyone's perspectives and the uniqueness you all bring. I would be honored to create connections and empower each STRite to be the best leaders they can be. Essentially, I am running, to make NFTY-STR a place for everyone, and to make us the best region in the nation.
